“ *Ms. Ella Mae, Allen, Sherri and Beverly and families,
Ralph and Sam,*

Glenn and Ralph built our house 25 years ago and a special friendship was built then that remained. A few years ago, Glenn and his family became our camping buddies and wow what great times we had. Glenn and Ella Mae were always cooking something wonderful and what fun we had sitting around the campfire, sharing stories and listening to Glenn talk about his younger years of hunting, fishing and camping. We will miss him so much, and we realize that God has truly gained another special angel. I remember one SC PFB Holiness Campmeeting in Five Forks when the Lord blessed him so much and how he shouted and praised God and what a blessing he was! To Glenn's Family may the divine providential hand of God render His embrace of comfort and assurance during this moment and those you will encounter in the days ahead. Your memories of Glenn should bring a harmonious comfort to your hearts.

*Love and Prayers,
David, Glenda and Jason Dickson*

“ Next to my own dad, no other man has ever been so special to me as my buddy, Glenn. I don't have words to describe what he meant to me nor can most people probably understand. He was there for me when my mom died and just made such an impression on me with his loving and caring ways and I wish that in some way I could do the same for all of you. I will miss him even though I only occasionally got to see him, it just thrilled my heart every time I got to see him. He always had a hug and a kind word for me. My prayers are with all of you.
Love, Felicia Knight
