“ Linda,

On behalf of my family and me, please accept our sincerest condolences. I had the great privilege of working with Glenn at Piedmont Forest Tree Nursery from 1983 until the nursery was phased out of seedling production in the early 1990's. In 1993, I transferred to the Commission's seed orchard complex in Tillman, and gradually lost contact with Glenn and you. I remember Glenn's wit, his work ethic, his faith, and his God-given talent for carpentry: he did a spectacular job building cabinets and doing much of the carpentry work for the nursery office expansion.

Please know you and family and friends are in our thoughts and prayers.

Sincerely,

Chris King

Linda,

On behalf of my family and me, please accept our sincerest condolences on Glenn's passing. I had the great privilege of working with Glenn at Piedmont Forest Tree Nursery from 1983 until the nursery was phased out of seedling production in the early 1990's. In 1993, I transferred to the Commission's seed orchard complex in Tillman, and eventually lost track of Glenn and you.

I remember fondly Glenn's easy-going personality and wit, his work ethic and his friendship towards my family and me. I was in awe of his God-given talent for carpentry and remember the beautiful work he did in building cabinets for the nursery office expansion.

We are remembering the family and all his friends in our prayers.

“ Dear Linda,

Please know that I am praying for you! My Dad (James Oldridge Cannon) and Brother (Loyde Cannon) thought the world of Glenn. Glenn was a good Christian man and I am proud to call him my cousin. Take comfort in knowing that Glenn is with Jesus and that one day you will see him again.

Love in Christ,

Martha Cannon Gravely
