“ Sue was a very good friend when we worked at Anchor Swan. As so many have said she had a great personality her smile would light up the room when she walked in. May you find comfort in knowing that she is resting safe and serene in the arms of Christ!##imported-begin##Brenda Morris##imported-end##

“ I have just learned of sue's going home and it is 12:00 on the 6th. Sue and i were rarely apart during our youngerr years. if she was not at my house I was at hers. We did all our double dateing together because she was too young to date Clyde. I have loved and thought of her so many times through the years and am so sad to hear of her hard times in later life. If i had but a nickle for every laugh Sue and i have had i would be a rich woman. i will not be able to get to the funeral but will look to the sky tonight and i know God will light a bright new star for my love. I do not know you children but i know you were loved because she was made up of love and laughter. I could tell you guys some great tales about your sweet mom. look us up when you get to hevan and we will catch you up. we will be sitting at Jesus's feet and laughing.##imported-begin##carolyn golden##imported-end##

“ I remember growing up in Jocassee, Sue driving the kids around in that white Impala (I think it was an Impala...?), the friendship our grandparents shared, Easter at Mount Carmel, my 3rd grade crush on Bobby and playhouses with Pam. More recently...thank you, Benji, for improving the two Henson properties in Seneca. My family will always love yours. “ Sue and I were good friends through high school. She was a true friend and I guess the one thing everyone can remember about her is her sense of humor. She had a beautiful smile that I will never forget.

To her family I would like to say I'm so sorry for your loss. I know she will be greatly missed.##imported-begin##Carolyn Cannon Turner##imported-end##
