I served in the military with Gordon for several years. He was a darn good soldier with a kind and gentle soul. Because of you this world is a better place. RIP my friend.

When I was a girl, around 6 years old (35 years ago) I met Gordon and was smitten right away. I remember crawling into his lap and feeling so safe and peaceful. He was kind and funny. He has a special place in my heart. Love, Ashley

“ *It saddened me this morning that a good friend Hoppy has pasted away. We were friends for a long while. I will miss him very much. He was a good husband and a good father and grandfather. I miss the fishing we did at beaverdam lake. The long talks we used to have. He will be missed by all that knew him. Geri I know you and the kids will miss him most of all.*

*We love you all and if we can do anything please let us know.
