“ Gordon and me went on a double date when we were just old enough to drive. It was a blind date for me. I forgot my billfold and had no money on me. I was so embarrassed! I was almost parralized with anxiety and here was the prettiest girl I'd ever met outside of Oakway.

Gordon lent me \$10 which was like \$100 now. Turned out we didn't do anything but hang out on a dirt road and listen to the radio but that ten spot in my pocket was such a relief!

30 plus years later I always enjoyed hanging out and talking with Gordon on the porch. We talked about all kinds of stuff and I had always wanted to ask him if he remembered that date. Somehow that one was never remembered before he left us.

It was like Gordon saved me on that summer night so long ago. That is what good friends do and I thank God for Gordon's friendship.
