“ *No individual has any right to come into the world and go out of it without leaving behind him a distinct and legitimate reason for having passed through it.*

-- George Washington Carver

This quote fully describes Ms. Jean. She left behind a really awesome family that she loved very much. Over the past few years she had a difficult time expressing herself to her family but many conversations we had she was always talking about how well they had done and she was always so happy to hear about them and how they were doing.

From many stories she told me she was really involved in a lot and wanted to do things to help make a difference in many areas.

I am glad that we had the opportunity to know Ms. Jean. My family and I truly enjoyed all of our visits with her. She was a very unique lady. She always made you laugh by something she done or said and believe me she always said what was on her mind.

We will miss Ms. Jean very much and I consider it a blessing that God allowed her to cross our paths.

You are at peace now Ms. Jean and I know you are in the best of hands.

Until we meet again, your friends, Peggy, Victoria and Emill Luna
