“ Dear Ed, Michelle, Stacia, and Zakahary:

Many grieve with you over the loss of Gracie. She loved her family with a passion.

She was my best friend in high school and that relationship was renewed when I returned to Oconee from the mission field. Gracie never changed from that gracious, kind, loving lady that everyone knew. My heart is flooded with memories of our times together. And they are great memories... that will bring me much joy over the years.

Please know that you are being prayed for from a distance.

Bless each of you in the days ahead as you grieve, but also as you rejoice because you were a part of a life that was so very special.

Lovingly,

*Patti McCoy Hummel (MC to Gracie, my dear friend)

“ While I didn't know Gracie personally I knew all about her through
Tommy while we were in college together at CWC back in the mid
60s. He was infatuated, deeply in love, and talked about her until we
would finally have to say, "Tommy, we are studying here! Things
about Gracie will not be on the exam." He had found the love of his
life, and we were happy for him. It hurt us all deeply when he went
to Viet Nam, and then things happened. Through him I knew she
was a wonderful person but I never got to meet her or any of his
family. Just know that an old friend is sorry for the departure of
Gracie and I will certainly be praying for all of you. God bless you.
