“ *Losing love ones is never easy. Losing family terrible. My Prayers to all the family that God will comfort each of you in the days, weeks, and months ahead. Greg was always a hot mess that everyone loved from the time he was just a young fellow. Never forget how proud he was to get to show off his pretty little girlfriend Lynn in the beginning of the two of them. He didn't play where his family was concerned and it shows in the love each of you have for him. His legacy is his family. The good times, the struggles and the love. Greg you are now and will always be greatly loved and greatly missed. Until we meet again!* ”

“ *There has never been a better mechanic than Greg Smith. As good of a mechanic as he was, he was an even better man. Greg loved his wife and family in every thing he did. Greg was very intelligent. He helped me fix a few robots back in the day at Maxfli. He was a very good friend to me and visited me often when I was disabled. I think he toughened me up when I was feeling sorry for myself. I never saw any weakness in you Greg. You were a positive influence on me. Thank you for being a good friend. I will not be able to go to the woods without thinking about you. Until we meet again my brother!*

“ I worked with Greg for five years and there hasn't been a better mechanic. Greg was very intelligent as all of us know. What people need to know is that Greg worked hard at everything. He loved his family in every thing he did. I will never forget how good of a friend he was to me. Until I see you again my brother! I will not be able to go to the woods with out thinking about you.
