“ My beautiful Aunt Harlene is now God's Beautiful Angel. You lived a good Christian life and brought joy to everyone you met. I will miss all the good times of laughter and joy that you brought to me. I will always remember all of us going to church, Poplar Springs and the singings we went to. Thank you for being there for me. I will always love you. Now, you can rejoice that you will see all your family that went to heaven before you and view God's paradise that has been waiting for you. I know that you are in a perfect place now and no more sickness will ever come again, you have a new body but I will never forget you and will miss you dearly. Until we meet again, I will be holding my arms out to great you and mama to rejoice with and never let go. My deepest prayers to the entire family. I love you Aunt Harlene, always.
