“ I also remember first meeting Harley and feeling so intimidated by this big strong man. I then learned what a great heart he had. I was no longer intimidated by him but I always respected him as a supervisor, Paramedic and friend. Our thoughts and prayers are with all of you.

“ To the family of Harley,
LC and I both had the great
fortune to have worked with Harley. I worked with him back
in the 80's for over 10 years at
Oconee Medical Center. He was
always a gentleman and so
compassionate to all his patients.
He was a pleasure to be around
and work with. LC worked with
him some before he retired at
Oconee Medical Center. Just
recently Harley visited the
Medical Center and spoke with LC.
He will be greatly missed. We are
truly sorry for your loss. Our
prayers are for each of you. May
God bless all of you.

“ To the Chapman Family: I am so sorry for your loss, Harley will be greatly missed. When he retired from EMS, I didn't know how I would manage without him, he could always make me laugh, and kept me on my toes, at times I believe he thought he could dispatch better than I could. I made him promise to keep in touch with me and he did through email, and occasional call to see how I was doing.

I want to say thank you to Harley for always believing in me and encouraging me. I have many wonderful memories. I never thought I would have to say goodbye one last time.

“ To the family of Harley Chapman.... You are in my thoughts and prayers. I worked in dispatch at OMH between 1993-1996. I have many fond memories of Harley during my time at the hospital, and even after when I went to the Sheriff's department. Harley will always be remembered for his caring nature and always willing to lend a hand when needed. I will never forget the first time I met Harley, I was so intimidated by him. Come to find out, he was a big ole teddy bear. May the Lord be with the family and wrap his arm around you and fill you with love and peace. God bless you##imported-begin##Tony Moss##imported-end##
