“ *Wanda and family, I have been where you are and understand the pain and concern for the future. Please allow those of us who love you and Dennis to help you through this time. Dennis was so good to me and I will certainly miss him. Please let me know when I can do anything to help you. Friends and family did a lot for me when Jeff died, and I still remember their kindness.*

Dennis will be greatly missed. He never failed to speak to us and had a sweet smile when he did. Our prayers are being lifted up on your behalf. It is hard to understand many things in life, but we know and you know, God knows. We love you and may God rain down on you strength, peace, and comfort. LC and Mary Jo.*
