“ I am still a little stunned since I only heard about Harold this morning. I knew him (as well as other members of the family) growing up and attended high school with him. Although we never were what you would call "close" friends, we shared a genuine relationship that brought a smile every time our paths crossed and we spoke together. For many years I was employed with Duke Energy where we periodically ran across one another and generally shared a laugh. We also used to see one another at family gatherings down through the years and he was always quick with a smile and warm handshake. He was a fine man that I shall always remember fondly. I pray God's peace and comfort for Linda and all family members in the days ahead.

The second he left this world, Harold entered glory, so, hang on dear ones, there's a huge family gathering coming up soon and we don't want to miss it. It's going to be the best. Love and prayers,

“ *Linda and Family. I am so sorry to learn of the passing of your beloved Harold. He was a Good Hearted Person and I am thankful for He and I finding out online that we are distant Cousins. He was nice enough to give me a book that related to the Civil War and letters to Great Granddad.He is now in greatest Hands of all and I will finally get to meet him Someday. I am unable to attend Service Today as I am Ill and not to drive until a couple days. I know you miss him and even though I never met Him I miss Him also. Blessings to all. Calvin McMahan*
