“ *My deepest condolence to his sons Bo Price & Fisher Price, and Mrs. Price along with the rest of the entire family. My name is Geoffrey Brewer, originally from Monrovia, Liberia. I first met Harvey during my first time at Oconee in 1992 while woking for Bartlett Nuc. Inc. Harvey and I worked in many area within the Reactor Building. He was the first co-worker to invite me to meet his lovely family at their lovely home where I was well excepted with a fabulous dinner.His sons; Bo & Fisher Price were in junior high school at this time. He showed me a lot about farming, and fishing and always wanted me to go fishing with him.*

*In our line of work, Harvey was always willing to impart any knowledge in performing our tasks safely correctly. He was a very pleasant individul to work with. He will be missed greatly.*

*Respectfully Submitted:*

“ Although I had not seen Harvey in years, I was heartbroken when I heard the news. I can still see his smiling face in our first grade picture---that smile that was there every time I saw Harvey thru the years. Since he was my cousin's neighbor, I saw lots of him outside of school and remember lots of fun backyard ball games! Rosa, Cindy, Sammy and the rest of Harvey's family---you will continue to be in our thoughts and prayers in the coming days. Harvey will be missed, but never forgotten!

“ Bo, Fisher, Sammy, Cindy and Ms. Rosa.....just wanted you to know that Tom and I will be praying for you all in the coming days and weeks ahead. Our heart is broken with the loss of Harvey! He was such a special person and we loved him dearly! The last words he spoke to me was that he loved me! And I know he did! Quite a few days in the last several months, he would call me or stop me in passing and we would talk about issues that were going on. But he would always say "it's gonna be alright, I'll get through it". And I do believe that he was headed in that direction. He will forever be in our hearts! After all, how do you forget a man like Harvey? Exactly! You can't! We love you all and if you need us for anything, please don't hesitate to call us. We love you all !

*Anyone who ever met Harvey remembered him. Genuine, authentic, a stand up guy, I believe that I could have picked up where we left off, although my life path led me away from working in RP with him twenty years ago. Harvey introduced me to crappie fishing in the winter time, and my skull about froze when he zipped across Lake Wylie from one hole to the next. Harvey just laughed at me, and I couldn't help but laugh with him. Three hours and thirty minutes without a bite... and then we caught forty crappies in the following fifteen minutes. "Slabs" he called them. RIP, friend.*

“ Harvy, it was an honor to work with you. You always put your all into doing the job right, and you always looked out for the rest of us while you were at it. We still remember the Thanksgiving meals you prepared and brought in for your crew, and those grits you used to cook for our big team meals - none were ever better. When we remember all you were to us here at work, it will be your big heart and caring soul that'll shine the brightest.

To Harvy's family, please accept our deepest sympathies. Above everything, You were what Harvy was all about. His love for you, and the joy that brought him, was a heartwarming thing to witness.

“ So many memories of my friend Harvy. How about the time the 2 of us went quail hunting and Harvy unloaded his automatic shotgun approx inches from my ear when the covey got up. Harvy getting so excited when the fish were biting that he stepped through 2 cooler lids in my dads boat. Breaking a new bed at my house by doing the belly flop. Harvy always singing the hit " Delta Dawn " and sounding pretty good. I could go on and on but one thing is for sure : HARVY WAS A GOOD MAN AND HE WILL BE MISSED. God Bless you Harvy and God Bless your Family.

“ First I would like to tell Rosa, Cindy, and Sammy how sad I was to hear of your loss. Even though time had separated us all I have many memories of growing up with you all. While growing up in the sixties we were always playing, swimming or fishing in Coneross Creek, Hartwell Lake. I remember one hot July when I think we were about 10 or 12 years old I went to Myrtle Beach with ya'll. We rode down in Joe's old truck me, Harvey, and Cindy in the back of the truck with a camper cover and Joe, Rosa and Sammy up front. It was hot back there and the exhaust fumes were terrible. I think we slept most of the way probably from the exhaust fumes. We had a great week fishing, playing in the ocean, and playing in the swimming pools of the Hotels until we got run off. I remember going to Hillbilly day one year and Me, Harvey, Cindy, and my cousin Marty Cox entered the watermelon eating contest. Anyone who new Marty would have expected him to win but Cindy won. That is just two of many memories I have and I could not have had a better friend than Harvey during those years. My family was going through a divorce and ya'll really helped me through those awkward times with a sense of family and I always felt like we were family and though we did grow apart I still feel that. We have a Mother's Day dinner planned for Saturday but I want to come by to see ya'll hopefully tomorrow (Friday).  
Your Friend Always,

“ *Harvy, you were a unique individual to say the least and a blast to around. I have so many fond memories of all the things we did in the containment building, aux building and any where on site when ever you were around. Give Ricky Lee a hug I know the both of you are getting smears in the big building in the sky. RIP MY FRIEND.*

*I KNOW IT IS A VERY DIFFICULT TIME, AND IT SEEM THAT IT JUST DOESN'T MAKE ANY SENSE BUT WE WILL UNDERSTAND IT BY AND BY. EACH DAY WILL GET BETTER, EACH MONTH WILL HAVE LESS TEARS, BUT UNTIL THEN THE LORD KNOW THAT THERE IS A VOID THAT NEEDS TO BE FILLED AND ONLY HE CAN DO THAT. BROTHER BO, YOUR FATHER WAS ONE OF A KIND HIS A GREAT FRIEND. I'M SO GLAD HE LET ME KNOW THAT HE RECEIVED CHRIST AS HIS SAVIOR. HE TOLD ME WITH GREAT JOY. HE TOLD THAT HE THANK GOD FOR WAITING ON HIM. I WILL MISS HIM GETTING ON ME ABOUT THEM CLEMSON TIGERS. LOVE YOU ALL AND YOUR FAMILY ARE IN ALL OF OUR THOUGHTS AND PRAYERS. PASTOR P*

*Although I haven't seen Harvey in years, I am so saddened by his death. We were buddies. We shared laughs, problems and work. He was a one of a kind man who will never be forgotten by his friends. I want to extend my condolences to his entire family. May he be wrapped in God's arms. I can picture Harvey in a boat with God, showing him good "ole" boys fish. Rest in peace my friend.*
