“ *I met Hattie 2 years ago. She was way more than a patient to me, she was a friend. She always had a way of making people feel special. She always told me i brightned her day, but the truth is, she brightned mine much more. I love her and i truly miss her so much, but i know she is smiling down from Heaven on us all##imported-begin##kymberly hudson##imported-end##*
