“ *Ben,*

I worked at OMH for all the time that Helen was there and interacted with her a lot. She was such a special lady who was very professional, yet liked to have fun. I feel my life is richer from having known Helen. I know she is having a wonderful time in Heaven. Our loss is heaven's gain. Our thoughts and prayers are with you and your family.

“ Ben, Kim, Kelly, Kristi and all of the family,. Helen and I worked together at OMH for over 20 years. She will always be a treasured friend, Helen had an infectious smile and laugh, and she also had this cute shake of her head when she laughed. A beautiful woman inside and out. She loved her family so very, very much. There was rarely a day that she didn't tell me something she had just shared with one of the children or grandchildren, and Ben you definitely were the love of her life. Helen, Martha Findley and I spent many lunch hours together after retirement, but not nearly enough. Raymond and I send our thoughts and prayers to all of you. God bless you. Romelle
