“ *I am so sorry for your loss. I worked with Helen for years at Oconee Memorial. I will say this about your wife, mother, and grandmother. She was one of the best. She was always the same, everyday. She had a pleasant personality and always had a spirit about her that could lift you up anytime of the day. She and I laughed a lot together. She was a good listener and all around good person. She will truly be missed by so many who knew her and loved her. God bless each of you.*

“ I had the pleasure of working with Mrs. Helen at the OMH Business Office for many years. She always had a smile, a hug, and a word of encouragement. Her sweet spirit will be missed by many. She always made the best pound cakes. She loved her family and was so proud of her grandchildren. Heaven gained a precious soul.

“ When I first graduated as a young nurse I worked with Helen for the next seven years at Oconee Hospital. Later in my career I saw Helen often as she became part of the business office. It was an honor to be with her recently since our long career together. My thoughts and prayers are with you all during this sad time. May the Lord give you His peace that passeth all understanding. Much love to you all.

May the grace and mercy of the Lord supply you the peace that only comes through Him.

“ I worked with Ms Helen at the business office for years, she was a sweet lady. The first memory that comes to mind is her sharing what I called " Pond Lillie's", she corrected me many times "They are Water Lillie's" she would say. The first time she shared some with me I was so happy to have them, however when summer was over me not knowing to keep them year to year tossed them in the trash. Next spring I asked her "Isn't it about time for those pond Lillie's", she corrected me again, so I asked Ms. Helen again in the spring for the Lillie's again, I also asked her how do you keep the Lillie's from year to year? She replied "Well first of all I don't throw them in the trash,"and we both laughed, she returned to work the next day with more "Pond Lillie's". Ms. Helen was a great women in so many ways, you guys have a beautiful family. Ms. Helen was a gift and should always be treasured.
