“ Dear Judiann, Ron, Deborah, and family,

I am saddened to learn of Bill's death. He was a good friend and teammate at Matthews Jr. High and East Mecklenburg High. He and I spent some fun days visiting each other during the summer time from those long ago days. The last time I saw him (and some of you) was at the Matthews Jr. High Reunion in September 2014. He looked great and was his usual jovial self. That is a very positive memory to have of him as our last visit.

May your family experience the grace and peace of God through Jesus Christ our Lord.----Bill Stevens.

“ Lots of memories surrounding Bill when we went to Matthews Junior High School together. Sock hops, parties, basketball games. He has the biggest smile of anyone I know. We all spent three years growing up together, shaping each other's lives. East made us scattered because it was so big, but the Jr. High days were the glory days. Blessings to the whole family. “ *Bill, john James, and I (Danny bass) grew up together going to Matthews junior high. Those were some of the most wonderful years of my life. We were like brothers. Hearing of the lost of Bill makes me sadder than words can describe. My condolences for the loss of your husband, and for the loss of your brother. May God bless you and help you through these trying times and may Bill rest in peace*

“ Bill will be greatly missed as a key member and friend at our KK Pro Shop. Bill always greeted you with a big smile and a "how are you today" with just the happiest attitude. Bill cared about everyone even when he was going through treatments throughout his sickness, never complaining and always looking on the bright side to whatever the day brought. Bill's memory will be eternal as he will be missed greatly by all of us.

The picture I've enclosed is one back in June of 2013 as Bill was busy helping us get ready for our member/guest golf event - smiling and helping us take photos that morning. So glad I have this one to share.

“ He was one of the nicest guys in our class (1967 East Mecklenburg High School). All around, just a really decent, good person. He was a big fellow, but a kind and gentle one. All of my memories of him are pleasant. That a person of his disposition also became a distinguished Marine shows that he was also tough and flexible when he needed to be. It's been years since I last saw him, but even then, it was like picking up yesterday's conversation, regardless of how many years had intervened. I'll treasure the memory of him and will miss him at future reunions.

So many memories! Skiing at the lake, cruising Shoney's on the weekends, trips to the beach, waiting for the bus to Matthews Jr. High.

Billy always had my back when my mouth got the better of me. A true friend.

He will be missed.
