“ *Tina, Kim and Family,
We are deeply sorry to hear about the death of your mother.
May the love of those around you help you through the days ahead,
and may all the memories of your mother give you strength to face
the pain you all are feeling.
It's the little things, the small, everyday occurrences that you all will
remember, the laughs, the stories, the smiles. And even though it
seems like you can never recover from losing your Mother, it is
these very memories that will help push the pain away, and bring
back the smiles.
Always remember, those we love don't go away. They walk beside
us every day, unseen, unheard, but always near, still loved, still
missed and very dear.
May the peace which comes from the memories of loved shared,
comfort you all now and in the days ahead. Our thoughts and
prayers are with you and your family during this difficult time.*

“ *Please allow me to offer my condolences to the, Wald family with these healing words: The prophetic vision of Revelation 21:1-4 points to the time of “a new heaven” and “a new earth” and gives the promise that then “death will be no more, neither will mourning nor outcry nor pain be anymore.” Since this promise is given, not to spirit creatures, but specifically to “mankind,” it gives assurance that a new earthly society of humankind living under the “new heaven” will experience restoration of mind and body to fullness of health and everlasting life as earthly “children of God.” This is the hope for, Mrs. Wald, as well. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl ~ healingwordsforu@gmail.com. For more information about God's Kingdom promises, please visit jw.org.*

Loved you so much sweet niece, but knew the pain you were in and you wanted to be out of it and stand at Jesus' feet. You had so much faith even through all the pain. Will miss your sweet voice and the visits and talks we had but you are where you want to be. Just remember when I asked you to tell my mama Hi for me, you said you would, but I don't hole you too that, as I know you just want to see Jesus then your mama and sweet sister Glenda. RIP sweet niece, you aunt Edna
