“ To Sally, Mitch, and all of the family, you are in our thoughts and prayers as you move forward in the days ahead. As another co-worker and brother, not only was Horace a professional in his work he became a good friend. Always one to keep a smile on his face he could also put one on those around him. Our times together during work and travel will always bring me fond memories. As Andy said, he always was willing to lend a helping hand, not only in the workplace but in our lives.
