“ May God bless and strengthen the family and friends. I know that it may be difficult to see beyond the pain, sadness, and sorrow, but know that God is able to strengthen you, ease your pain, and comfort you. Lean on Him for strength, peace, and hope. I express my deepest sympathy and condolences to the family and friends. I am sorry for your loss, and I lift you in prayer. I encourage you to hold onto your memories of Horace, and may those memories of him, coupled with the love of family and friends give you comfort and remind you of happier times. Whenever I think of Horace, I remember how he was always kind to me, and of course, he was helpful when I had to ask him for help on any project or task. Horace will be greatly missed.
