“ Barb, Kathleen & Michael,
Words can't adequately express how deeply saddened we were to hear of Pat's passing. However, we are so glad that we were able to visit with you all and to see Pat just a few short weeks ago. The time we were able to spend will provide us with some very good memories of what a great person Pat really was. Know that our thought and prayers are with you during this most difficult of times.

“ Barbara, Michael, Kathleen, Laura & Grandchildren,

We are so sad to hear of Pat's passing - he was a special person and long time friend. I am so glad I got to talk with him 3 weeks ago. He was in fine spirits and still had a joke or two he just had to tell. He also mentioned how blessed he was to have such a wonderful wife & how he loved his children & grandchildren.

We will miss him!

“ Barb, I am so sad to hear about Pat. I sent out an email to the RHC retired nurses and some of them sent back saying we don't know her. I said it was their loss. You are the kindest, most gracious and loving lady and I am just so sorry that you have had to go through so much this past week. Our prayers are with you and your family.

Love,
