“ I(Art)used to work for the Oconee County Motor Pool and got to meet Hoyt. He was a good man to work with - I used to fix the equipment for the Road Department. We enjoyed talking about the "old" days and he had a lot of stories to tell. He always had a positive attitude, very polite and appreciated it when a person did a good job.

Please know that my wife Beth and I will be praying for the entire family during this difficult time. I would have come to the visitation but just had extensive back surgery last month in Charlotte, NC for the second time.##imported-begin##Art and Beth Swank##imported-end##
