“ Brenda, David, girls, and other family members,  
We go back a long way, from high school to our children. You are a special family to our family. David was like one of our sons. So deeply sorry for the loss of Pee Wee. It is difficult to read about our friends passing on and remembering past experiences in school and other times in our life. May God give you peace in your hearts and comfort in your souls. It was Pee Wee's time. So many good memories you will have of him. Keep those always in your thoughts.
