“ I am so very sorry for your loss. Ken and I were coworkers and for years, worked the same shift. He was fun to talk to, always made me laugh and loved to share his thoughts on good music. More than anything, it was quite obvious he was a loving family man. He spoke often of his wife and family. I pray God's comfort and peace will sustain you all during this difficult time, and in the future.

“ *I went to high school with Ken. He was always the kindest person and although our only contact for years has been online, it was evident that he had only gotten kinder and more thoughtful with age. Jill, I am so heartbroken for you and wish I could give you a big hug. Sending much love and deep prayers of comfort & healing for you and the family. .He will be missed.*

“ *Jill, I am Ken's cousin and we grew up together and share same birthday. His dad and my dad (Carlton) were brothers. Sometimes families don't see each other as much as they should and Ken and I have not seen each other since Uncle Red passed away and I apologize for that.*

I am so sorry for your loss and pray for you and your entire family.

Ken will always be a part of our family and will be greatly missed,
