“ *My beautiful, strong, sweet, loving granny. You have helped mold me into the person that I am, into the woman I am. I will miss that beautiful smile, those big warm hugs, and that witty sense of humor that you had! There are too many memories to ever try to type here. But when I think of you I will always remember staying with you on weekends when I was little. Wearing your gown and dancing around the living room with you. Granny, I know that you are in a better place...and you're with Jerry and the twins which makes me smile, but I will miss you so! I am and will forever be grateful for every wonderful moment that I've spent with you! You were truly an amazing woman! You were the epitome of an angel! If angels on earth had halos...you would have had one already! I love you Granny!!!!##imported-begin##Jennifer Denney (Johnny and Paige)##imported-end##*

I have such fond memories of eating Sunday lunch with all of you and your mom at Aunt Mary's after church some Sundays.

“ So sorry for your loss, but we have the comfort of knowing we will meet your mother again. She was a special lady. She was always so patient with us, no matter how much noise we made as kids when we would spend the night with you girls. I will never forget those times. You are one special Family to us.
