“ Granny Bell was a peaceful lady who welcome me into her home when my mom married her ex husband Jake. Bell was family with everyone and held no ill will towards anyone. Bell wanted me to call her granny Bell like the rest of the kids when I first met her even tho Bell would be considered my step mother. Either way Bell was family and we'll miss her dearly, but God called her on home with the rest of family. Bell is at peace in Heaven with God. May her peace be shared with her children here on earth.
