“ *Daphne and family.*

We can't begin to express our sorrow at hearing of Jack's passing. We pray that the Lord comfort all of you as only He can. Jack always believed in me during my years with ACFP and was a great friend. We fondly remember our times with you and Jack when Donna and I could get together with y'all and hang out. Whether it was at your house, or a Clemson game or when y'all visited us at Sapphire Valley. Those memories make our hearts smile! May the Lord bless you and wrap His arms around you as you move into a new phase of your lives.

*Love,

“ *Jack has been such an inspiration in my life since the day I met him back in 1985. He gave me some of the best advice and guidance for a balanced life. He provided me many opportunities and rewarded me with his friendship and trust. I still hear his voice softly poking fun at me. He had a great sense of humor. I fully believe that he is in Heaven and not suffering any longer. You will be missed, my friend.*
