“ Jackey.... it wasn't supposed to end this way. We aren't too old to fish and work on cars! Now there will be no more phone calls saying "Hey Man! Where are the fish biting at?" Or the calls saying "You wont believe the deer I just shot!" Instead all I am left with are memories... Memories that tell a great story of a GREAT man who was not just a cousin but a GREAT man who was my BROTHER! I don't know what I am going to do without you! I thank GOD for giving me the honor of growing up with you and spending the majority of our lives together. Even tho it wasn't spoken I know you knew how much you are loved. Rest in peace man.....
