“ Cathy,
Although I only got to enjoy Jack's company twice he touched my heart as a beautiful soul. He made such an impact on my mother in law, Karen and I am so grateful for that. I will always remember Jack with that poolstick in his hand running the table!! Love you and you are in my prayers.##imported-begin##Amanda Wirtz##imported-end##

“ I got so much to thank Jackie Lee for. Yes he let me know a few times what his name was or what I could call him and what I couldn't. He taught me a lot during our friendship and the most important thing was humility. He taught me that people are not the same and that you have to look at them differently. Jackie Lee had such a good heart and treated people with love and respect. And deep down he touched alot of us and we know who we are. He will truly be missed. BIG'N##imported-begin##J.B.
