“ What I remember of Austin is that he was genuinely kind. He was smart and witty, too, and that made us all love to be around him. He had a way of making you feel good about yourself when he talked to you, like the time he wrote in my yearbook that I was his buddy and he wanted to go fishing sometime. I will miss him, and I am truly sorry for your loss.

We are deeply saddened by his passing and feel he and our Jim are reuniting in a way that only Our Lord provides. Sympathy, compassion, prayers, love and fond memories of our own youthful times spent with Gary, Lee, and Dena. are sent to you and the rest of the family. “ From being a good fishing buddy to my dad and my 10 year old son to sitting around a camp fire listening to his interesting stories, Austin "Torch " brightened our lives. This man loved to cook and was an absolutely amazing cook. Best burger, chicken and ribs I've ever had. Thanks for all the great memories! Torch you really will be missed and we will be ready for that "cookin" you were planning when we get to heaven. Prepare for a feast buddy! Fly high and talk their ears off...I know you are!
