“ I know you will miss your Dad so much in the coming days, weeks, months.....I still miss mine after almost 8 years. I know you will take comfort that he is with your Mom now and no more suffering. Red and your Mom always treated me like one their own when I was at your house and they were very good to me. They raised wonderful children that I know they were very proud of. I am so sorry for your loss and will keep your family in my thoughts and prayers.
