“ Jimmy was the first person I ever sat up half the night in the phone with. He could make me laugh like no one else. His was truly a beautiful soul. It was a blessing to see the love he had for his family and they for him. Ms. Sue, you were the light of his life even as a teenage boy. He admired and adored you! You raised a truly unique soul in a cookie cutter world and all who knew him were better for it.
