“ *Bill and Lucy,*

*We were so sadden to hear of Dennis' sudden death. But He is with Jesus now, in a Home that is filled with Bliss. There are no tears, no more heartaches, no more pain, only love and happiness for all eternity.*

*We hope you are surrounded by love and comfort now, just as you two gave us when Mama and Junior passed away.*

*We will always remember Dennis by his happy and care free spirit. He never met a stranger and he always had time to make you laugh, especially if you were having a bad day.*

*Memories are a treasure that time can not take away. So may you and your Family, be surrounded by happy ones today. Treasure all the wonderful memories of all the good times you all had with Dennis. Remember happy times with him when you get sad, it will help you smile.*

*Because you two are our special friends, your cares are our cares, too. And so, as sorrow fills your hearts, our hearts goes out to you. Even though, our words can not begin to ease the loss you bear, we hope it helps, somehow, to know how much we care.*

*Bill and Lucy, your family are in our prayers and we pray God's peace and comforting arms will surround you all during this difficult time. And we are wishing you all many heartwarming memories to fill the absence of Dennis physical presence.*

*We love you both,*
