“ *Eddie was a good friend especially in our college and grad school years our 20's and 30's. He was as solid a christian and pastor as they come and was a good teacher. I tried to get him to come teach Bible for me when I was Headmaster of Independent Methodist School (IMS) which was a ministry of First Independent Methodist Church of Mobile, AL. He felt led to remain in Georgia instead and I think pastored a Wesleyan Church in North east Georgia for a few years. As two single preachers, we led our respective congregations to work together in youth camps and retreats as well as speaking for each other on special occasions. During my single years, his Mom and Dad treated me like a part of their family with his Mom putting out an extra plate for her extra "kid" at many a meal time. The last time we were able to visit was either at his Dad's funeral or Mrs. Talley's, whichever was last (I am 3 years older than Eddie, so dates may slip away at times!) My love and condolences go out to Christine and her children, Eddie's Mom, Wayne, Kim, and their families.*

“ Jerry and I were honored to have been married 42 years ago by Preacher "Eddie" back in 1975. I always thought so much of him and his precious wife Christine. We saw them leaving a restaurant about a year ago & now I wish I'd taken the time to stop them & talk a few minutes. God bless you, Christine, and your family. We love you.

“ *Pastor Ed Hampton, where do you start with a tribute? So many memories at Welcome Wesleyan Church, Elberton, GA. Me, Angie, & Michael had some good times with the Hampton family. I remember having strep throat and Christine drove me to the doctor, I was so sick. Pastor Ed keep all the kids and cooked supper for everyone. These things you never forget. My love and prayers are with you at this time. Love always, Cathy A. Gibson.*
