“ I have known very few people who cared more for the youth of our community and country than my dear friend, Jimmy. I had the honor of coaching with Jimmy for several years. Once we were JV coaches at TSHS and our team was trying so hard but victories were just too few. Jimmy said, “Dean if they didn’t score more points than us we could win a game or two.” This man had a great sense of humor and loved his family and friends. I was blessed to be his friend!
