“ *For many years I was not cognizant of James being family. However, I am proud that to be a family member of just a great person. I really began knowing him when I marveled at his ability to play billiards. At the time I worked in a downtown Seneca store and he would often catch a ride. James' passing still seems surreal. My sincere condolences to his immediate family and all those who had the pleasure of knowing him.*

“ *To the family of James Mazyck (ZeeK) my deepest condolences. I have known ZeeK all my life, My earliest memories was of him playing football for Blue Ridge High School (Running Back) one of the best I've seen !!! ZeeK and I also played golf together. He was a member of the Birdie Makers, a golf association that supports a non profit organization that provides food and clothes to the unfortunate that live among us. Great Farther, Great Friend, and Great Man. We'll miss you brother. Rest in Peace.*
