“ My sympathies to the family.
Mike and I grew up together and attended school together starting at Cone Elementary and ending at graduation at Parker High School.
Although I haven't seen Mike since graduation I have thought of him many times. He was a good friend and his family always made me feel welcomed at their house.
Please know that the fond memories of him will remain with me always. Once again I am so sorry for your loss.##imported-begin##Bryan Moon##imported-end##

“Mike my beloved was a child of GOD. This was displayed everyday. His smile which was always present. His kindness to everyone no matter how he felt and always wanting to help anyone. He witnessed to many people all over the country letting them know that cup of coffee or the meal he gave them was because Jesus loved them. He often saw people without a coat or an umbrella which meant of course he gave his away. God allowed me to be a part of his life. I am thanking GOD that Mike is now knowing no suffering. He is in his new body! Amen##imported-begin##Gretta Harrision##imported-end##
