“ *Don,  
We are so sorry for your loss. I remember your Daddy from our Pickett Post days. He was always so nice to me even though I was just a little kid. He always had a smile for everyone. I know his illness was difficult for all of you. I hope you take comfort from knowing he is at peace and seeing Ruth, Sandra & Amy again. Our thoughts & prayers are with you all.

*I was very sad to learn of your dad's passing even though I know he had been sick for many years. My thoughts of him always go back to Pleasant Ridge when he was a young man married to your mom, and I was just a few years younger. Such a Southern Gentleman! Clarence said when he first met James that he was the man he wanted to build our house when we saved enough money. But when the terrible accident happened to your mom and sisters, we just put it on hold for a while. Then in 1972 he told us he thought he was ready. We've lived in this wonderful house since Oct. of 1972, and we still love it! Clarence always said, "If you want a house built without problems, "Get James Towe""!! We loved him although we had not seen him in too many years. You fellows come from "Good Christian Stock (genes)", continue to make your parents proud. Always think of the great reunion in Heaven he's already having, and one day you'll enjoy that reunion, too. Love to all,  
Clarence and Louise Lee Towe*
