“ *Sadie, Melissa & Family,
I remember when Larry came to work with us at the City of Clemson . He became a friend immediately. You would never have to worry about the conversation dragging if he was around. He loved his family and would always talk about Sadie & Melissa. I thought the world of Larry, and it was a privilege to have have him with us for 25 years.*

God be with you,

As we worked together for many, many years with the City of Clemson the memories we shared and the laughs we had daily will never be forgotten. He loved his family and friends unconditionally.
