“ I've know Peanut for years. He was a good friend and a great person. He had a heart of gold and would do anything for anyone he cared about. We went to school together and worked at Lift-tec together when all of his health issues started. I saw him not too long ago and he had a big smile on his face and gave me a hug as always. You've got your wings now brother, fly high! Prayers for all of this sweet man's family. Vicki Rochester

Peanut never met a stranger. He used to come over and hang out with my husband. He was a very sweet and respectful guy.

“ I baby sat Peanut when I was their neighbor. That boy could move on his short little legs. He was such a character and funny as all get out. I got married after high school and moved away. My prayers and thoughts are with the family. I am so sorry for your loss.

“ Peanut (James) will be missed no Doubt. When I think of him, a smile always comes to my face. We work, and played hard together. He taught me more than I can write down. Generous and kind, he loved the Rugrats and crumb snatchers alike. Nicknames he called my daughter and nieces and nephews, where spot on. Melissa and the rest of his family, my family prayers are with you. Rest well my bother.

“ To know him was to love him. He always had a smile on his baby face. He always helped any time he was asked. I can't think of a thing that he couldn't do or fix.
What a wonderful person he was.
We miss him already and loved him very much.
Our prayers to all of his family.

“ *We will certainly be continuously praying for Melisa and all of the Crooks family. Peanut (James) will be greatly missed by our family. Peanut was like a brother to my husband Tony. They were always doing different things. He also was close to the kids, having a different nickname for each of them. They are all saddened by his unexpected departure. But understand God had a better plan for him. We love and will miss you peanut. You are healed now and only happy days are ahead. Praying for all the family and all the many many friend's that this man's life impacted in his 55 years.*
