“ *Arvel was a fine man, loved by everyone who knew him. We had some very good times at Mel's house years ago as Arvel would visit often along with everyone else. The good memories are all we have now but we can be certain that Arvel is at peach and he is truly enjoying his new eternal home. Arvel enjoyed life, loved his family and he had a positive impact in this old world! He will be missed greatly.*

“ Mr. Arvel was one of the finest gentlemen I worked with. His honesty, down to earth genuine faith, friendly demeanor, and true friendship helped me thru a lot of trying situations at WMS. The pair of him and Fred Gregg had our building always in tip-top shape, and I could always count on them when we needed something. I still have the handmade candy/gum dispenser that he gifted me. Always a true friend. Rest easy Mr. Arvel

“ We loved Mr. Arvel at Walhalla Middle School. It was a retirement job for him but he quickly became a part of our family there. He was such a kind, good man. He shared his delicious fried turkey with us at Thanksgiving and he gave us things from his garden. My beautiful peony blooming in the yard is from his yard. I am so sorry about his passing, but I will see this brother in Christ again!

Thank you Dianne. He loved all of you at WMS and spoke of you all often. He also loved every child he came in contact with there. Many children would come to him for advice and snack money. He would cry when telling us unfortunate stories about children who touched his heart.
