“ To the family of James,
I'm am deeply sorry for your loss! I had a loss
for words when I found out, but God gave me
a sense of peace, because he isn't suffering
anymore, and he is with Christ! He was my
absolute favorite patient, he was kind and always said yes ma'am-
even when I told him not to- but he would always tell me “that's how
I was raised - and I can't stop now” - and then grin. I have prayed
many prayers for James, and I want the children to know that he
loved y'all so much! He would always talk about how much y'all did
for him, and each of you had a good heart! Remember that grin I
mentioned earlier.. that's my favorite memory of James! I would
always walk in, in the mornings and say “hey papa” and that grin
would be from ear to ear! I absolutely fell in love with James! I thank
you for the opportunity to get to know him! I will continue to pray for
y'all, and if you need anything you know where to find me! I love
y'all!
