“ My heart goes out to the entire family . Terry and I shared a passion for playing the drums, in fact he sold me my very first drum set in 1979. He and I always talked Miami Dolphins Football and watched many games together .

*I will always remember his Baptism at Open Door and remember him as a hard worker using heavy machinery .I attend Church with his brother , who holds Terry in high regard and is a good man himself.*

*He was always so proud of his children and spoke of them always .*

*He was a rare kind of guy , heart of gold , great personality , and he certainly loved his mother Clara deeply .*

*Sad to say goodbye to someone I considered a friend for over 30 years yet.....*

*He is certainly in heaven , i know w/o a doubt he's saved , so he's looking down from a perfect place today with no worries.*

*God Bless the Justice family .*
