“ *Some of my fondest memories of being a young child, are when James & Sue & all the family would come for a visit, & James would let my sister & I drive his car around the yard. We thought we were all grown up because he had taken the time to help teach us how to maneuver an automobile. I remember him sharing stories, & I always looked forward to the family visits.*  
*Thinking of all of you & lifting you up in prayer.*
