“ Flip will truly be missed. It was always a pleasure to see his smiling face when he delivered our propane. I always appreciated how he kept a "watch out" for our house that was across from the Blossman Gas tanks, especially when our daughter and her family lived there. It gave us security to know he always had an eye out for us. We always felt like he was more than our delivery man, he was our friend. Laura & Bob Sloan

Lit a red candle for all the times we've seen Flip out in the red gas truck. I got to know Flip while I was driving for Tugalo Gas and he ALWAYS had kind words and a BIG heart. We will miss seeing him waive and smile as he passed our house each day. You guys are in our thoughts and prayers....Marcus and Lisa
