“ *What a wonderful man that I was blessed to be in a family with. I am sorry for your loss of a great day, grandpa, grandpa, uncle, brother but best of all a genuine southern man that never met a stranger. From day one he acted like I had been in the family for years and for all of your family I am truly grateful. He is walking the streets of gold and enjoying time with others who has passed telling stories and drinking coffee. I will be praying for each and every one of you guys! Love to you all*
