“ To the Family of Jim Hunnicutt:

I was so saddened to hear of "Catman's" death. I can still hear him in the shop at Duke several years ago giving his catcall. He was such a likeable person. I'm thankful for the opportunity of knowing and working with him for a number of years, and I believe I will see him again in eternity. I pray that you all are comforted by that assurance in your lives as you serve the Lord.

With Deepest Sympathy,

“ Jim went to high school with my brother, John. He was at our house a lot and was like another big brother. He always was laughing and cutting up with my entire family--he was a joy to be around! I had not seen him in years,(probably since Tina was small) but I am sure he had not changed--he lived life to the fullest!

Our entire family sends our deepest sympathy--

“ *How unreal this seems. Jim will always be a very special friend that we love and always knew if ever we needed anything - we could call Jim. He could light up a room and I know his family and friends were better people by knowing him. A special memory of Jim is 'jumping from our diving board with Tina on his shoulders' Fun should have been his middle name. He sure did enjoy life and leaves lessons for all.*

We will miss him. Our Prayers are with you. God's Amazing Grace will Comfort you.

“ *Bea, Tina and Trent. I'm so very sorry to hear about "Catman".*

I worked for him at Duke and most recently last fall during the refueling outage. He was wide open as usual and wouldn't have any other way. It was night shift and cold, but he was ready to tackle whatever the job demanded. I've seen him walk from the plant to the crew work areas just to get a piece of material and walk back with it and that's a pretty long walk, but he didn't care as long as he was helping. He wanted to help his folks to succeed and they did as a team. Cat just couldn't stand by and manage; he wanted to be part of the job along with his people. He was just that way.

He will be deeply missed by so many people. May he truly rest now. We'll miss you Catman Hunnicutt.##imported-begin##Judy Lee##imported-end##
