“ *I have so many fond memories of Jane. When we were young we would get together through the years..always laughing and enjoying each others company..we were like sisters, even though we are cousins. Through the years, we always kept in touch..if i had a family function, Jane always came.. to dinner, to parties to bday celebrations, she never missed coming...she was so important to all of us and we loved her with all our hearts..i will miss her and all the good times we had in our lives. Even in sorrow, Jane never missed coming to be with me..i love her dearly and i will miss you, sweet cousin until i see you again in heaven 🥺*
