“ Should have said this far more often while you were here, but I love you more than I can describe or say in words only; I appreciate everything you did for me, Nick, Morgan, Tammy, Dad, Leah - all of us. You worked hard and overtime at being the best mom, grandmother, friend and sister that God could have ever graced this planet with, and that presence - while it will be sorely missed - will forever be cherished and remembered. 32 years with you went by far too quickly, but I'm grateful for every single one of them. Rest easy Nanny. We love you. Tell Grandma (Reba Findley Chambers) and Poppa Larry "hi" for me. - Dylan
