“ I met Janice last year when she came to the assisted living where I was. she was very special. With her demenia, she almost worked my head off. It wasn't long before I wanted to go back to work, even with my fear of electricity. I saw a wonderful heart more and more. Janice had a precious love for tje Lord,, her family and others.This smile brings out hers so well. Enjoy every moment. Don't forget we'll bee there, too.
